**About the game:** ELDEN RING The Lands Between is the legendary plateau region between the lands of light and the lands of darkness. It lies far beyond the borders of the kingdom of Elden and is therefore scarcely known or known only by the Elden lords of the highest standing. The Land Between is known as the Elden Ring, and it is inhabited by the most powerful of the Dusk Lords, who are born of the blood of the Anzu - the dragons born in the Land Between. There, battling each other and fighting off countless foes, they gain power and learn about the power of the runes and the Elden Ring - and perhaps about the terror of the Night Lords.

**The Story** In the Land Between, the Dusk Lords struggle for their survival and their power. If you wish to win and gain influence, you must kill the Dusk Lords. But the Dusk Lords have ancient and dark secrets of their own. And something is about to shake the Elden Ring. From out of the darkness, a monstrous and unrecognizable evil rises. The lands of the Elden Ring tremble and a great horror
